Answer the questions below. You can either write the word or the number.

1. Which number rhymes with the word “flu”? \_\_\_\_\_
2. Which number rhymes with the word “alive”? \_\_\_\_\_
3. Which number rhymes with “time”? \_\_\_\_\_
4. Which two numbers rhyme? \_\_\_\_\_

_____	_____	_____
_____	_____	_____

Did you notice while I or you read the book, it sounded like a song? That's because most of my children's books I write in a poetry format. They all have a certain rhythm and pattern to how they sound. This is based on the amount of syllables words have.

For example: Clock has 1 syllable  
Missing has 2 syllables  
Pneumonia has 3 syllables

Can you tell how many syllables these numbers have?

9. Two - \_\_\_\_\_

10. Five - \_\_\_\_\_

11. Seven - \_\_\_\_\_

12. Eight - \_\_\_\_\_

13. Eleven - \_\_\_\_\_

14. Look at the verse and page about number 9. Can you count how many syllables are in each line?

15. If your day only had three hours, what would you choose to do?
